

SETTING UP FOR SUCCESS

It is extremely important to start training your puppy as soon as you get him/her, and this highly acclaimed training manual will take you and your Spaniel on a journey from the sock chewing puppy to a wonderful hunting dog you can be proud of.

SETTING UP FOR SUCCESS is a twelve-chapter PDF file that will be downloaded and stored to any of your devices. There are 14 accompanying video clips demonstrating exactly how each task is done, ensuring you know what to expect from your Spaniel.

HERE IS WHAT SOME OF THE MOST RESPECTED SPANIEL TRAINERS AND HANDLERS HAVE TO SAY ABOUT THE BOOK

"I have pretty much seen and read everything out there and I would put this product right at the top of your list of required reading."

~ Bill Cosgrove of Ivanhoe Kennels

"I could have used this book 40 years ago!"

~ Jeff Miller of Black River Kennels

"This is a great instructional video book for someone starting out and looking for a reference guide"

~ Bill McCaffrey
